INTERVIEWERS, NOTE THAT THE "VA" IN NEVADA RHYMES WITH BAT OR VAT, NOT WITH LOT OR TAUGHT. PLEASE PRACTICE THIS SO YOU DO NOT MAKE A MISTAKE.

Hello, I'm _____ from G-S-V Research, a public opinion research company. We're conducting a brief scientific survey about some really interesting issues affecting Nevada. We are definitely not trying to sell you anything, and we are only interested in your opinions. According to the research procedure, may I speak to the adult in the house age 18 or older who had the most recent birthday? (IF RESPONDENT SAYS NO OR NOT NOW, ASK TO MAKE AN APPOINTMENT FOR LATER).

A. As you know, many people are so busy these days they can't find time to register to vote, or they move around so often they don't get a chance to re-register. Are you now registered to vote in Nevada, or haven't you been able to register for any reason?

1. This November, there will be a question on the ballot that I want to ask you about. Let me read you the exact language that will appear when you vote on it.

Shall Titles 32 and 40 and 43 of the Nevada Revised Statutes be amended in order to do the following:

- First, to permit and regulate the sale, use, and possession of one ounce or less of marijuana [**mare-eh-WA-nah**] by persons at least 21 years of age,
- Second, to impose licensing requirements on marijuana retailers and wholesalers,
- Third, to allow for the sale of marijuana by licensed marijuana retailers and wholesalers
- Fourth, to impose taxes and restrictions on the wholesale and retail sale of marijuana, and
- Finally, to increase the criminal penalties for causing death or substantial bodily harm when driving while under the influence of drugs or alcohol.

If the election were held today, would you be inclined to vote “yes” in favor of this ballot question, or “no” to oppose it?
